

# 2011 JackHammerBaseball 100 Inning Game 2/26/11

To Whom It May Concern:

The 2011 JackHammer Baseball squad will be entering into the organization in its sixth year of existence. The squad is made up of young men from surrounding communities of Baton Rouge. The JackHammers have been practicing since early October in order to prepare themselves for this year's highly anticipated 2011 season. The optimistic coaching staff sees not only the proven athletic ability that these young men possess, but also the extrinsic and intrinsic qualities which make them outstanding citizens in the community.

The JackHammers will hit the road playing ball starting in late February and ending in July, so one can only imagine the expenses these players and their families will encounter. The squad will be participating in its annual 100 inning game on Saturday 2/26/11 at Live Oak Ball Complex. That is right fans, 100 innings in one day! The JackHammers are respectfully asking for your support by sponsoring a player. Each donation to a JackHammer player will be put into that player's specific account to help the cost of his expenses. The JackHammer baseball squad personally thanks you for your time, help, and support.

Thanking You,  
JackHammer Baseball 2011
